Wireframe

15/16

The wireframe illustrates a user interface for managing job applications and internships. At the top, there is a navigation bar with tabs: "MY APPLICATIONS", "MY INTERNSHIPS", and "MY PROFILE". Below the navigation bar, the main content area features a large section labeled "Slogan" with placeholder text: "Lorem ipsum dolor sit amet, consectetur adipiscing elit. Maecenas sit venenatis aliquet nunc nam scelerisque. Proin congue viverra risus placerat augue odio etris neque. Nulla netus tincidunt sed hac urna." To the left and right of this slogan section are vertical gray bars with diagonal hatching.

Below the slogan, there is a search bar with the placeholder "SEARCH POSITIONS" and a "FILTERS" dropdown menu. The next section, titled "RECOMMENDED POSITIONS", displays three rows of job listings. Each listing includes a "Position" title, a "MORE DETAILS" button, and a "LESS DETAILS" button. Under each position title, there is a brief description: "Lorem ipsum dolor sit amet, consectetur adipiscing elit. Maecenas sit venenatis aliquet nunc nam scelerisque. Proin congue viverra risus placerat augue odio etris neque. Nulla netus tincidunt sed hac urna." At the bottom of the "RECOMMENDED POSITIONS" section, there are two buttons: "ACCEPT" and "DECLINE".

Below the recommended positions, there are three additional rows of job listings, each consisting of a "Position" title and a "MORE DETAILS" button.
